The roads are closed to vehicle traffic only, you can still go through on foot and probably on bikes/skateboard/scooter/etc, but you'll have to come in from pretty far out. From the map I saw ti's a 1 mile walk

2/18/2021 The roads to DC are NOT CLOSED... My God folks, stop with the fear Mongering.. I'm in DC with my team and many others... I've went to Virginia t... not including if they have checkpoints and such. I see two problems with this, people will get tired if the day drags on like it likely will, and getting home may happen once it's dark where Antifa will be more brash in their attacks. Keep in mind long walking distances means any Soy boys may be keeping tabs on people and relaying messages to people waiting along alleys and dark streets or at public transportation stops.
